Rights & Responsibilities

Rights & Responsibilities

- I understand that Pennsylvania receives information from the Income Eligibility Verification System (IEVS), financial institutions, consumer reporting and state and federal agencies to verify the information I give them. Information available through IEVS and other entities will be requested, used and may be verified through collateral contact when conflicting details are found by the State agency, and such information may affect my household's eligibility and level of benefits.
- I understand that by signing this application, I am authorizing any financial institution to disclose, through electronic or any other means, any and all financial information held by that institution, to the Department of Human Services or its designated agent or contractor for the purpose of identifying and verifying assets when needed to determine and re-determine eligibility for Medical Assistance. I understand that financial information includes deposits, withdrawals, account closures and other relevant information requested or received from the financial institution, including other transactions undertaken by the financial institution with respect to the account or asset. I understand that this authorization is effective until Medical Assistance eligibility is denied or ends, or if I decide to revoke it by written notification to the Department, whichever happens first. I understand that if I revoke this authorization, that may make me or my household ineligible for Medical Assistance.
- I understand that if I misrepresent, hide or withhold facts that may affect my eligibility for benefits, I may be required to repay my benefits and I may be prosecuted and disqualified from receiving certain future benefits.
- I understand that I can designate an authorized representative by completing the *Authorized Representative* section and submitting it with this application.
- I understand and agree that I am responsible for any fraudulent statements made on this application, even if the application is being submitted by someone acting on my behalf.
- I received a copy of my rights and responsibilities, have read them or someone has read them to me, and I understand them.
- I understand that the information entered in this application will be kept confidential and used only to administer benefits. I authorize the release of personal, financial and medical information for the purpose of determining eligibility.
- I understand that the Department of Human Services or its designees may contact me via methods including email and text messaging to help process my application or request feedback on the application process. If I do not want email or text messages, I understand the Department will still process my application.
- I understand that any changes I am required to report must be reported within the first 10 days of the month following the month of change or, for Long-Term Care and Home and Community-Based Services, within 10 days of the change.
- I understand that my household may lose SNAP benefits if a household member receives lottery or gambling winnings equal to or greater than the SNAP resource limit for elderly or disabled households.
- I understand that I will receive a written notice explaining the benefits. If benefits are denied, changed, suspended or stopped, the written notice will explain why.
- I understand that I will have 30 days (90 days for SNAP (food stamp) benefits) from the date of the notice to request a hearing if I do not agree with the decision made on this application.
- I understand that my situation is subject to verification from employers, financial sources and other third parties.
- I understand any person enriched as a result of a transfer of assets or income, which would have affected my eligibility for Long-Term Care or Home and Community-Based Services, will be liable for repayment of those benefits issued incorrectly.
- I understand that applicants must provide their Social Security number or apply for one if they do not have one. This number may be used to check the information on this application.

- I understand that I must use the Electronic Benefit Transfer (EBT) or the PA ACCESS Card only during the period I am eligible. I must use the EBT or the PA ACCESS Card only for the person who is eligible and may get only the benefits that are needed and reasonable.
- I understand that I may not use Cash Assistance funds issued through my PA ACCESS card to make EBT transactions in liquor stores, casinos (gambling casinos, gaming establishments), or places for adult entertainment.
- I understand that I am required to report lottery and gambling winnings.
- I understand that I do not have to provide a Social Security number for anyone who is not applying for assistance. If I do provide their Social Security number, it may be used to check the information on this application.
- I certify that all information that has been entered is true under penalty of perjury.
- I understand that I have the right to a certificate of creditable coverage to verify my medical coverage. Federal law limits when health care coverage may be denied or limited for a pre-existing condition. If I enroll in a group health plan that has a pre-existing condition clause, I can get credit for the time I received Medical Assistance.
- I understand that if I am determined eligible for Medical Assistance, I will be placed in the most comprehensive health care benefit package that is available to me. I understand that I may be required to enroll in a health plan. I understand that enrolling in a health plan may be free or low cost to me, because the Department pays a monthly fee to the health plan for me. I understand that the monthly fee is a capitation fee. I understand that if I receive Medical Assistance that I am not eligible for, due to error, fraud, or any other reason, then I may be required to repay the Department all monthly fees paid on my behalf.
- If I receive cash benefits, I will cooperate with the requirements of the child support enforcement program as directed by the department. I give the department and the Domestic Relations Section the right to pursue and collect cash and/or medical support for me and others for whom I am applying.
- I understand that if I report and provide proof of the household expenses, I will get the maximum amount of SNAP (food stamp) benefits allowed. (Authority: United States Department of Agriculture, Food and Nutrition Service, Mid-Atlantic Region, Administrative Notice 6-99, issued January 4, 1999).
- I understand that I have the right to receive credit for the household expenses at the time I report and provide proof of them at any time during my SNAP (food stamps) certification period.
